854 Greenview Drive
Grand Prairie, TX 75050-2438
972-606-8740
972-606-8741 FAX

Origin Instruments is located in the Greenview Technology Center approximately five miles directly south of D/FW airport.

From Dallas: Take I-30 or Hwy-183 (Airport Freeway) west until Texas highway 360. If traveling on I-30, turn north onto hwy. 360. Take the first exit (Avenue K/Brown Blvd.) off hwy. 360 and turn right (east). Turn right on the first street (Greenview Drive) and follow it to Origin Instruments on the right hand side.

From Ft. Worth: Take I-30 or Hwy-183 (Airport Freeway) east until Texas highway 360. If traveling on I-30, turn north onto hwy. 360. Take the first exit (Avenue K/Brown Blvd.) off hwy. 360 and turn right (east). Turn right on the first street (Greenview Drive) and follow it to Origin Instruments on the right hand side.

From D/FW Airport: Take the south exit out of the airport following signs to Ft. Worth. Take the exit onto Texas highway 360 south to Arlington. Follow Hwy. 360 exiting on the Avenue K/Brown Boulevard exit. Turn left across the bridge (east) onto Avenue K. Turn right on the first street (Greenview Drive) and follow it to Origin Instruments on the right hand side.
