Computer	YOUR-COMPUTER	
Activation Key:	00000-00000-00000-00000-00000000000	
Computer	00000-00000-00000-000000000000	

6. Click "Release"

Release	License	×
	CAUTION	
	Use Release License to activate Dragger on a new computer. Or if you need to reinstall Windows on this computer and reactivate.	
	Release License requires you to be connected to the internet! If you must manually Release License (no Internet) please contact Origin Instruments.	
	Clicking Release copies your Activation key below to your Windows dipboard. Paste it, or write it down, in a safe place.	
	000000000000000000000000000000000000000	
	Forget Name and Email address too.	
	Release Cancel Use Proxy	

7. Confirm by clicking "Yes".

This will help you move your program to a different computer or erase the information on the hard drive.
